

The map shows the coastal waters of the Iberian Peninsula, with a grid of nine sampling stations labeled C-01 through C-09. Station C-09 is highlighted with a thick black border. The stations are located in the following approximate positions: C-01 and C-02 are in the upper left; C-03 and C-04 are in the middle left; C-05 and C-06 are in the lower left; C-07 and C-08 are in the lower right; and C-09 is at the bottom center, highlighted with a thick black border.
